

# Summer Camps 2018

Portland Kinderschule offers week-long German language camps every summer in SW Portland/Hillsdale.

Our camps are open to children ages 4-9 years with no prior experience with the German language. Instructions will be in German, while English may be used as needed. Our camps have a different theme each week focusing on science, games, crafts and outdoor play. Meet new friends, learn and laugh - Enjoy the summer at Portland Kinderschule!
